The OPR for this supplement is 419 CS/SCB (Linda L. Riel). This supplement implements and extends the guidance of Air Force Instruction (AFI) 33-114, 1 July 2000. The AFI is published word-for-word without editorial review. 419th Fighter Wing supplementary material is indicated by (419 FW) in bold face type. This supplement describes 419TH FIGHTER WING procedures to be used in conjunction with the basic instruction. Upon receipt of this integrated supplement discard the stand-alone Air Force basic. This supplement applies to all personnel in the 419th Fighter Wing.

9.5.1. (Added) Imaged software and software license documentation that comes with the computer upon receipt will be maintained with the 419th Communications Squadron, in building 508, in a centralized secure location.

9.5.2. (Added) User software and software license documentation that is approved, according to HQ AFRC and/or local DAA standards will be maintained in the unit functional area in a centralized secure location, with appropriate internal management controls to ensure accountability.

F.C. WILLIAMS, Brigadier General, USAFR
Commander, 419 Fighter Wing
